School Volunteers

The McCracken County Board of Education encourages assistance from parents and other community resource persons as volunteers to enrich and reinforce the instructional program. Volunteers are defined as adults who assist teachers, administrators, or other staff in public classrooms, schools, or other school district programs and who do not receive compensation for their work.

There is a \$10 fee per background check. Please attach a check or money order to this form. Checks can be made to McCracken County Board of Education.

Anyone convicted of or pleading guilty to sexual or any felony offenses shall NOT be used as a volunteer.
